Two million miles of gathering, transmission, distribution and service lines make up the natural gas delivery system. AGA represents more than 200 local energy companies committed to the safe delivery of natural gas to more than 68 million customers throughout the nation. AGA members also include natural gas transmission companies and service providers. YOU supply the operations materials and services. Access and sell to YOUR operations customers.

AGA Operating Section At a Glance

The American Gas Association (AGA) founded in 1918, represents more than 200 local energy companies committed to the safe delivery of natural gas to more than 68 million customers throughout the nation. AGA members also include natural gas transmission companies and service providers. AGA provides a broad range of programs and services for member natural gas utilities, pipelines, marketers, gatherers, international natural gas companies and industry associates. The AGA Operating Section focuses on the engineering and technological aspects of transporting, storing, distributing and measuring natural gas. It aids member companies in operating safely, effectively and economically by reducing operating costs while continuing to serve the best interests of the public. The Operations Conference and Biennial Exhibition is sponsored by the AGA Operating Section with the support of the AGA Operations Equipment & Services Associates Section.

Decision-Makers Attend!

Reach a focused segment of the natural gas distribution and transmission industry. AGA represents a national customer base with more than \$16 billion in purchasing power!

Conference registrants include the operating, technical and engineering management professionals who are directly responsible for maintaining their companies' competitive edge through safe and cost-effective transportation of natural gas. The conference is a major gathering of operations management decision-makers who evaluate, assess, recommend and select equipment, machinery and supplies, plus engineering and technical services used in the transmission and distribution of natural gas.

Statistics

More than 1,700 natural gas industry professionals attended the 2013 AGA biennial exhibition. Registrants regularly include 700 operations management of local, national and international gas utility and transmission AGA member companies. The exhibition regularly attracts over 200 domestic/international vendors occupying approximately 50,000 square feet of Exhibit Space, including large, multi-booth islands.

Who Should Exhibit?

Companies engaged in operational, engineering, construction, maintenance and service-related activities, including:

GENERAL

- automated information systems hand tools
- automated mapping
- · automatic meter-reading equipment
- bar-coding
- compressors
- controls
- · corrosion control materials
- · corrosion direct assessment
- data integration software
- distribution/construction/ maintenance
- electronic mapping
- facilities management
- fire safety
- fire suppression systems
- flow computers
- · gas analyzers
- gas detection devices
- · gas meters
- · gas quality
- · gas regulators/controls/valves
- gas sampling devices
- gas turbines
- geographic information systems

- health and safety equipment
- internal combustion engines
- leak detection equipment
- · leak survey services
- line marking and locating
- · material handling, packaging and storage equipment
- natural gas transmission equipment
- · odorization equipment and materials
- · piping/pipe-coating materials
- plastic materials
- pollution control equipment
- pumps, fans and blowers
- SCADA and telecontrol
- supplemental gas
- · underground damage prevention
- underground natural gas and propane storage
- · utility construction services
- · valve and heat exchangers

CONTRACTOR & CONSULTING SERVICES

- automation & telecommunications
- chemical and analytical
- communication systems
- computer (hardware and software)
- distribution and transmission
- engineering
- environmental
- · gas flow measurement
- insurance
- · land
- management consulting
- materials management
- mobile equipment/motor
- network analysis
- nondestructive testing
- pigging
- pipeline construction
- research and development
- · safety and occupational

NOTE: Exhibition space assignments are made on a first-come, first-served basis and in accordance with a priority point system. A copy of the Exhibitor Terms and Conditions is posted on AGA's web site at www.aga.org/OpsConf2015. Please review the Exhibitor Terms and Conditions before signing the Exhibit Space Application. AGA's receipt of a signed Exhibit Space Application and Contract binds an exhibitor to the Exhibitor Terms and Conditions as posted.

To Reserve Space

Complete the enclosed Exhibit Space application, sign and include a \$200 per 10' × 10' space nonrefundable deposit either by check, VISA, MasterCard or American Express. You may either:

MAIL the application with a check payable to American Gas Association (remittance MUST include "Operations Conference" and name of exhibiting company) to:

American Gas Association P.O. Box 79580 Baltimore, MD 21279-0580

Or, **FAX** the application with the credit card information to (410) 997-0764.

Balance is due in two equal installments on Nov. 19, 2014, and Feb. 19, 2015.

Hotel Information

Contact the hotel directly to reserve lodging and hospitality suites. Reference the AGA Operations Conference to receive the discounted room rate of \$235 per single/double occupancy (plus taxes). Rate includes daily resort fee. Room rate is subject to limited availability.

A company MUST exhibit in the 2015 show and/or be an official conference sponsor to host a hospitality suite at the Gaylord Texan during the week of May 17th.

Gaylord Texan 1501 Gaylord Trail Grapevine, Texas 76051 Phone: 817-778-1000 Reservations: 817-778-2000

Prices (per	SPECIAL (by Oct	ober 6, 2014)	REGULAR (after October 6, 2014)			
10'x10' space)	Inline Space	Corner Space	Inline Space	Corner Space		
AGA member	\$2,300	\$2,500	\$2,500	\$2,700		
Non-AGA-member	\$3,550	\$3,750	\$3,750	\$3,950		

Register early for best value and exhibit location.

Cancellations must be received by AGA in writing. Cancellations received from Nov. 19, 2014, to Feb. 19, 2015, will be assessed a cancellation fee of 25 percent (25%) of the **entire** rental. **No refunds** will be granted after Feb. 19, 2015. Prices listed above supersede previously published prices.

INCLUDED IN EXHIBIT SPACE PRICE

- Two (2) complimentary attendant (exhibit hall access only) registrations with each 10-foot wide by 10-foot deep Exhibit Space reserved. Additional attendant registrations available at \$350 per person (exhibit hall access only).
 Full conference registrations are available at the AGA-member registration fee.
- Extended/Exclusive Show Hours. Total of 13 show hours, including 9 hours of EXCLUSIVE dedicated time. A preview lunch in the exhibit hall will welcome AGA Operating Section technical committee members and early arrivals. A hosted Opening Reception in the exhibit hall will launch the festivities. Plus, a cocktail hour and lunch will boost exhibit floor traffic!
- Complimentary pre- and post-show registrant mailing lists posted on the AGA web site for exhibitor and sponsor access only.
- Complimentary listing in the *Exhibitor Directory* published in a special 2015 issue of *American Gas* magazine; distributed on site at the exhibition and to 10,000-plus subscribers. Listing includes exhibitor name, marketing contact, product/service description, Exhibit Space number, etc. For inclusion in the *Exhibitor Directory*, a completed Exhibit Space application (including a maximum 50-word description) must be received by Feb. 2, 2015. For applications received after Feb. 2, 2015, a listing will appear in an *Exhibitor Directory Supplement* to be circulated on site.
- Food and beverage areas strategically placed within the exhibit hall to enhance and create

an equitable traffic flow.

- AGA promotion of the exhibition via mass communications to targeted audiences, including AGA web site announcements and advertisements in select trade publications.
- Each Exhibit Space includes an 8-foot high drape back wall, 3-foot-high drape side rails and an identification sign.
- Aisle carpeting provided. NOTE: Exhibit Space carpeting is NOT included and should be ordered in advance by exhibitor, for best pricing.

Guidelines for Promotional Activities

- Hospitality suites and vendor-hosted extracurricular activities are not to be open during scheduled program/exhibit hours or AGA committee meetings.
- Exhibitors are encouraged to offer food and beverage at their exhibit. An exhibitor should inform AGA of an intent to serve food/ beverages and must coordinate directly with the hotel banquet services. AGA is not responsible for banquet costs incurred by an exhibitor.
- Exhibitors are not authorized to conduct marketing activities and/or announce hospitality suites through the conference hotel telephone systems.
- No exhibitor product or sign may be displayed in meeting rooms or other public areas of the conference hotel without prior written approval of AGA.
- Vendors are NOT permitted to sponsor suites or advertise prizes at the conference property and/or in the exhibition unless they are an exhibitor and/or an official conference sponsor.

Sponsorship Opportunities

Sponsorship opportunities are available for various conference activities. For details, go to www.aga.org.

Exhibition Hours & Special Events

INSTALLATION

Monday, May 18

7:00 a.m. – Noon
Exhibitor move-in for assigned
Exhibit Space exceeding 400 sq. ft.*

*Noon – 7:00 p.m.*All exhibitors move in

Tuesday, May 19

7:00 – 11:00 a.m.
